Volunteer Information

Why Volunteer

The motto at Portchester Community Association is 'Where volunteers make it happen'. Volunteers are a huge asset to us and are integral to our success and our ability to provide facilities, services and events to our wonderful community. Volunteering is a two-way street, we all benefit! Here are some examples of how volunteering can benefit you..

- social contact and meeting new people
- increase new or use existing skills
- gain experience in a variety of roles
- make a big difference to your community
- it's fun and exciting
- get involved with your local community
- keep active and gives a sense of well being
- supports your CV when looking for work
- gain valuable experience and confidence
- provides a sense of purpose
- take part in any training opportunities
- create your own volunteering roles

Volunteer opportunities within the organisation

- help in the book shop
- gain admin experience in various areas
- support the various groups in a variety of roles at the hub or at other venues
- as a chef or cook for the lunch club
- with the maintenance of the building
- at the local gala and other events run by PCA
